ABOUT MYSELF

I'm an energetic graduated student,extremely willing to become a teacher or lecturer. Currently planning to do my Masters.

I'm glad to be a part of TEAM INTERVAL where I can devote myself fully and give out best of my talents and skills to become its strong asset.

I strongly believe in accuracy and precision in whatever I do.I believe I have good interaction skill that would provide transparency in coming communications.

I'm so confident in my specified subject that I think my knowledge in subject can give a support to others.
